**PETITION FOR LEAVE TO AMEND**

WSKG Public Telecommunications Council ("WSKG"), by its  
attorneys and pursuant to Section 73.3522(b) of the Commission's Rules,  
petitions for leave to amend its application. For the following reasons,  
WSKG believes that good cause exists for acceptance of the amendment  
(which is attached hereto).

No. of Copies rec'd

076

The amendment provides updated information about the composition of WSKG's governing board. This information is also being submitted to the Commission in an Ownership Report on FCC Form 323-E. In order to avoid any confusion in this proceeding about the present composition of the WSKG governing board, however, WSKG believes it is appropriate to provide the information again as an amendment.

This amendment is submitted to furnish information that may be required under Section 1.65 of the Commission's rules. It does not affect the issues designated for hearing in this case; nor will WSKG seek any comparative advantage thereby. Therefore, WSKG believes good cause exists for this amendment, as required by Section 73.3522(b) of the Commission's Rules.

Respectfully submitted,

**WSKG PUBLIC TELECOMMUNICATIONS  
COUNCIL**
